SANEM, launched in January 2007 in Dhaka, is a non-profit research organization. It is a network of economists and policymakers with a special emphasis on economic modelling. The organization aims to promote objective and high-quality research in the areas of international trade, macroeconomy, poverty, labour market, environment, political economy and economic modelling. SANEM contributes to governments' policy-making by providing research support both at individual and organizational capacities. The organization prides itself on its robust research collaborations spanning global, regional, and local spectrums, including think tanks, research and development entities, academic institutions, and independent scholars.
